

ONE OF NEW YORK'S MOST FAMILY-FRIENDLY HOTELS

Winner: [Citysearch Best of New York](#): Best Family Friendly Hotel

- Families enjoy our spacious Suites that feature a King Size Bed in the bedroom, giving parents a bit of privacy, and a Full Size Pull-Out Sofa-bed in the living room for the children. The affordable suites at Hotel Giraffe are priced at what many hotels in NYC charge for a standard room. The hotel also offers Balcony Guestrooms with 2 Full Beds, both options perfect for a family of 4, or combined into a 2 Bedroom Suite for a family of up to 8.
- Our Milk & Cookies amenity is one of our most popular, and a great addition for families with children at any age.
- Complimentary cribs are available upon request, saving parents the hassle of travelling with their portable cribs.
- Our knowledgeable concierge are ready to help families plan a day of fun in NYC, whether that includes a day for everyone, or just the parents, as our concierge can also arrange baby-sitting services.
- While some boutique hotels are aggressively trendy in a way that would make multigenerational family visits uncomfortable, the style on the hotel is softly contemporary, appealing to young parents yet also making children and grandparents feel comfortable and at home.
- The 24 hour refreshments offer incredible savings for a family of 4, including a hearty continental style breakfast featuring many child-friendly choices, such as various cereals, yogurts, oatmeal, toast and bagels with peanut butter and jellies, and juices. Our evening receptions include crackers, cheese, vegetables with dip, and complimentary snacks that are available throughout the entire day, including cookies, fruit, hot chocolate, and pastries.
- Our Rooftop Garden gives children a welcoming space to stretch their legs, and they love our big giraffe statue that sits in the garden.
- With our location in the NoMad neighborhood, we are central to many family fun destinations, including the Museum of Math, Kips Bay Movie Theater, the playground at Madison Square Park, and SPiN ping pong.
- Our "No Celebration is Complete...Without Something Sweet!" package is designed with children celebrating a special occasion in mind, and includes 2 gourmet cupcakes and 2 balloons.
- NoMad features multiple family friendly restaurants, including Shake Shack, Hillstone, Big Daddy's Diner, Schnipper's, Hill Country, 2nd Avenue Deli, and Blue Smoke.
